ZLATÝ KAHAN CUP 2022

42nd International Tournament

18th to 23rd July 2022

ZLATÝ KAHAN CUP 2022

Greetings to all footballers and Baník fans,

I am pleased that Baník approached me to be the patron of this year's Zlatý Kahan. As always, there will be very interesting matches with international participation. I am personally excited about how the Baník academy has grown over the last few years, because I think that the background and general conditions here are really top-notch.

Having the chance to play with teams like West Ham United, Rukh Lviv or West Bromwich is the dream of almost every footballer, and thanks to tournaments like this one, our players can really experience it. The fact that such teams come here means that the Baník academy and its players have the ability to compare themselves with the best in Europe.

I am happy that I can be here today and I wish everyone who will play here or come to watch to enjoy the tournament.

Martin Lukeš, patron of the tournament

Dear sports fans,

today I would like to welcome you to the 42nd year of the Zlatý Kahan tournament, in which the players of our oldest youth category will be presented. The boys have this tournament as a reward at the end of their journey here in Academy. These are boys who stuck with football throughout their childhood and today they are such quality players that they have an interesting football future ahead of them. Therefore, I wish everyone that not only here, but also in all the other matches that await them, they never lack self-confidence, determination, courage, teamwork and concentration on the match.

I would also like to thank all the parents, coaches and partners of our academy for their cooperation and support in the education of young players. Last but not least, I want to thank the organizers and the executive director, Mr. Bělák, because of their support to these big events.

We, the viewers, can now only look forward to the upcoming matches and wish all the players to give their best performances. I have one personal wish, thanks to Luděk Mikloško, the top team West Ham United came to Kahan. Let's try together to break the audience record for the U19 match (415 spectators), where we will support our fighters.

Roman Holíš, chairman of the FC Baník Ostrava Academy

Zlatý Kahan is a traditional international tournament for older youth, whose history dates back to 1981, when it was founded on Miners' Day.

In the past, renowned clubs not only from the Czech Republic, but also from Slovakia, Poland, Italy, France and Germany competed at Zlatý Kahan.
